health systems how they're doing overall; dashboards tell systems what's happening now using interactive metrics with drill-down capabilities.

### **Healthcare Dashboards vs. Scorecards to Improve Outcomes**

Often times, scorecards and dashboards are used as synonyms, especially a balanced scorecard dashboard, but we have to differentiate the two since they do have some similarities and can be connected, but they are 2 different sets of data analysis and performance tracking. Let's take a look at that in more detail.
