Nature Book

"Red Fox: The Catlike Canine" by J. David Henry First off, this book is a gem if for no other reason than that Red Foxes are such fascinating creatures. Henry is an ethologist - a scientist who studies animal behaviors and his book bears that imprint.

If the person is able to cough forcefully, the person should keep coughing. If the person is choking and can't talk, cry or laugh forcefully, the American Red Cross recommends a "five-and-five" approach to delivering first aid: Give 5 back blows. Stand to the side and just behind a choking adult. For a child, kneel down behind.
