Indirect Questions Worksheets - Lesson Worksheets

Try an exercise about embedded questions here. Sometimes we want to use a question as part of another question or a statement. This is called an embedded question.1: We can use embedded questions as part of other questions. This is sometimes called an indirect question and is often used to be polite.

Embedded Questions / wh-clauses - Perfect English Grammar

An embedded question is a type of question which is included within another question or sentence. It is different from other types of questions, as there must not be any auxiliary verb between the question word and the subject. And if the embedded question is not part of another question then there's no need to use a question mark at the end of that sentence.

Embedded Questions: Definition & Examples | Learn English

The first word of an embedded question is capitalized only when the question is long or has internal punctuation. A short informal embedded question begins with a lowercase letter. The question should not be in quotation marks because it is not a piece of dialogue. The question should end with a question mark because it is a direct question.

Definition and Examples of Embedded Questions

compare to: 3. Where is the library?. The first two examples contain an embedded question. The word order for an embedded question is subject and then verb. The third example (Where is the library?) is just a regular question in which the word order is verb and then subject.In this lesson, you will learn how to make questions and statements that have questions within them.

embedded questions - Learn American English Online

Indirect speech is just one of the uses of embedded questions (see Uses above), and vice versa. So, for example, when you say She asked me if I could come over on Monday it is BOTH an embedded question (from Can you come over on Monday?) and indirect speech (from She asked).
