The authors' multi-disciplinary study is both theoretical and practical, beginning with their phenomenological approach to studying human experience and their resulting Object Knowledge Framework, which is a groundbreaking evaluation of how humans interact with objects.

The Objects of Experience: Transforming Visitor-Object ...

The world is the object of experience while the Self within, the unmanifest subject of experience. Being the subject, the Self cannot be experienced by the body, mind and intellect. A human being...

'Subject and object of experience' - Speaking Tree

The puzzle of experience consists in conflict, or antinomy, which seems to emerge in the course of certain philosophical reflections. In explaining the conflict, we assumed that these reflections are entirely correct; in other words, that the conflict is real. This chapter considers the possibility that our reflections contain a mistake, and hence that the conflict is merely apparent.

Object of Experience - Oxford Scholarship

...only physical sensations but the experience of an object and its environment through the unique perspective provided by that emotion. The experience of being angry at Smith, for example, consists to a large extent in the experience of Smith from a certain perspective—e.g., as being offensive, hateful, or deserving of... SELF-OBJECT. The term self-object refers to any narcissistic experience in which the other is in the service of the self, the latter being defined as a structure that accounts for the experience of continuity, coherence, and well-being. It is a source of narcissistic feeling. The notion of selfobject appeared in the work of Heinz Kohut as early as his 1968 article, "The Psychoanalytic ...

Aesthetics - Aesthetics - The aesthetic object: The third approach to aesthetics begins with a class of aesthetic objects and attempts thereafter to show the significance of that class to those who selectively respond to it. The term aesthetic object, however, is ambiguous, and, depending on its interpretation, may suggest two separate programs of philosophical aesthetics.
