A consider, thoughtful and above all intensely reasonable exploration of why we should not rely on religion as a source of morality, and how a secular alternative should be constructed. For a Humanist like myself, there was a bit too much focus on Christianity in places, but the chapters covering drugs, abortion and voluntary euthanasia were excellent.

A popular claim among religious theists is that atheists have no basis for morality — that religion and gods are needed for moral values. Usually, they mean their religion and god, but sometimes they seem willing to accept any religion and any god. The truth is that neither religions nor gods are necessary for morality, ethics, or values.
