### Here And Now Living In

But now I'm living in (but now I'm living in) (Here and now) Yeah I'm living in the Here and now Nowhere else in this world tonight You and me, ain't it good to be alive

### Kenny Chesney - Here And Now (Official Music Video)

The here and now is the only place that truly matters. Everything else is secondary. Unfortunately, we live in an age of constant distraction, where our attention is pulled in a million different directions. I believe that ruminating about the past and thinking too much about the future is the major cause of people's unhappiness.

### The Here And Now: 4 Simple Ways To Live In The Present Moment

Nouwen's words were from his heart--he bared his soul in a few chapters--and they help the reader move toward a deeper relationship with Jesus and a heart that is more alive. The title, Here and Now, refers to one of the main themes: God is in the present with us. We tend to dwell on the past or fear the future, but God is here now, in the present.

Train your mind to live in the here and now Our mind is sometimes like a hyperactive child traveling by car. It needs a toy, something to do, something to look at, to think about, to digress, to worry about, and even to become obsessed with. Our thoughts never stop and most of them are focused on the immediate future.

### Life Is Not Waiting For You: How To Live In The Here And Now

The title, Here and Now, refers to one of the main themes: God is in the present with us. We tend to dwell on the past or fear the future, but God is here now, in the present. And we can experience Him and His love for us in an intimate way. Thank you, Henri Nouwen, for your legacy.

### Living In The Here And Now

Now, the difference between being present and being happy is miniscule. Truly happy people are able to live in the moment, all the time. They're able to be present, and simply enjoy the journey of life, and not just worry about the destination. You've seen these people here and there.

### How to be Present: The 5 Steps for Living in the Here-and-Now

Living in the moment is a form of thinking positively -- you don't let yesterday crowd out today and you don't let fear of tomorrow dominate your actions. Everything in balance and living for now, with a little bit of future thought for consequences, and you'll be thinking positively.

### Live In The Here And Now Quotes (30 quotes)

The solution to this endless thinking is mindfulness - the idea of living in the present moment. It is the foundation of life because everything that is, is here and now. Mindfulness is widely accepted and encouraged by

philosophers, psychologists, and spiritual guides, but it is not yet present in our mainstream society.
