HP TouchSmart User Guide

The first thing you should do with your TouchPad is to create a HP webOS user account, which you should be prompted to do when you boot the tablet. If this doesn't happen, don't worry: you can create an account via Launcher > Settings > Accounts. With the account created you'll need to provide an email address - you can specify which services to use it with, such as Contacts, Calendar, Local file storage, and several others.
