VGB B106 - KKS APPLICATION EXPLANATIONS | Engineering360

The Identification System for Power Stations "KKS" serves to identify plants, sections of plants and

Download Free Kks Vgb B106

items of equipment in any type of power station according to task, type and location. For a plant classification with KKS in general, the KKS-guidelines (VGB-B105e) and the related application comments (VGB-B106e) are required.

Identification System for Power Stations (KKS) - VGB

KKS labels, which
