...

That book was a culmination of years of research to define why the Evangelical movement has been weakening for the great part of a century, exacerbated by the moral revolutions in the 1960's onward. "No Place for Truth" is the first book in the series, and is the first of the four books I will try to read this year.

...

"No Place for Truth" is the first book in the series, and is the first of the four books I will try to read this year. Wells begins with a type of analogy of Wenham, Massachusetts and demonstrates how this little town turned from a small community unaffected by modernity to describe the process in which the Evangelical movement has shifted focus.
