Examinations | Medical Exam Tutor

Even if you pass the exam and are an experienced doctor, it is likely to be difficult for you to secure a postgraduate year 1 (PGY1) training role with a District Health Board (DHB) in New Zealand. The number of PGY1 roles is limited and priority is given to graduates from New Zealand and Australian medical schools.

Registration Exam (NZREX) | Medical Council

The IFOM Basic Science Exam is a comprehensive examination designed to assess examinees' knowledge of the basic medical sciences. Schools that use a traditional curriculum (in which students are taught basic sciences first and then progress to clinical training) often administer the IFOM Basic Science Exam prior to the start of clinical training, but the exam is also used for other purposes.

International Foundations of Medicine® | NBME

Upon completion of each core clerkship, a final clinical grade is assigned by the Hospital Site Director, which is submitted to the Clerkship Program Director for review and final approval. Once approved, which could take up to four weeks, final clinical grades are forwarded to the COM Office of the Registrar for final grade processing.
