Not that I mind smutty, but it's not what I was looking for given the collection is marketed as Steampunk Erotica. I expected more steampunk elements. *Human Powered by Teresa Noelle Roberts: I enjoyed this story for the true steampunk elements to it along with the utilizing a person's sexual energy to power it.

Amazon.com: Customer reviews: Carnal Machines: Steampunk ...

Steampunk is a relatively new fad where people dress in fashions from the Victorian era - you know, bustiers and corsets and long dresses. But the twist is that the outfits also contain elements of old-fashioned steam-powered machinery, hence the name steampunk," she said.
