edition of the new IB
Paper One topic--The
Move to Global War,
and is a well organized
and helpful textbook.

The main problem I
have noticed is not in
the content but in the
sample questions.
There are several typos
and inconsistencies
especially for the
second and third
question.

Move to Global War - History Rising

At Island School, the prescribed focus of this Paper will be on 'The Move to Global War' which focuses on military expansion from 1931 to 1941.

Two case studies are
