### The Question of Canon: Challenging the Status Quo in the ...

While The Question of Canon scrutinizes today's popular scholastic view, it also offers an alternative concept to lay a better empirical foundation for biblical canon studies. The issue of how and why the biblical canon was set in the early church continues to be a strong and important discussion in contemporary biblical and theological scholarship.

### The Question of Canon | Reformed Theological Seminary

This framework recognizes the canon as the product of internal forces evolving out of the historical essence of Christianity, not a development retroactively imposed by the church upon books written hundreds of years before. Unlike many books written on the emergence of the New Testament canon that ask "when?" or "how?".

### The Question of Canon - InterVarsity Press

Michael Kruger is a professor at and the president of Reformed Theological Seminary in Charlotte, North Carolina. Overview. There are a number of very good books which cover the topic of the New Testament canon, letting us know which books of the NT are all agreed on (homologoumena) and the ones that people at various times and for various reasons had questions about (antilegomena).

### The Question of Canon | Wisconsin Lutheran Seminary

In Canon Revisited (2012), Kruger mounted a theological and historical case for Christians to justify their belief in the authority of the NT canon. Now, in The Question of Canon, Kruger challenges the dominant paradigm in much of modern biblical scholarship, which views the concept of canon as something altogether foreign from early Christianity and as only an ecclesiastical production of the second, third, or even fourth century. While responding to the major tenets of this view—what he ...

### The Question of Canon: Challenging the Status Quo in the ...

The Question of Canon, on the other hand, is concerned primarily with historical questions such as what factors led to the emergence of new collection of books and when/how this happened. In order to answer these questions I focus more on historical models and argue for what could be called an intrinsic model of canon.

Here are the five tenets: 1) we must make a sharp distinction between Scripture and canon; 2) there was nothing in earliest Christianity that would have led to a canon; 3) early Christians were averse to written documents; 4) the NT authors were unaware of their own authority; and 5) the NT books were first regarded as Scripture at the end of the second century during the time of Irenaeus. Each of the five chapters of the book is dedicated to one of these major tenets.

### Books At a Glance : review of The Question Of Canon

The Question of Canon is more of a critique of the historical-critical community determined models of canon. On the other hand, Canon Revisited is more a systematic view of conservative reformed/evangelicalisms view of Canon.
