Volume two did not hold up as well as volume one did. Here, we have a total of two and a half longer cases. The "half" is the conclusion of the previous volume, with the drug candy dealing incident, which takes two chapters. The other two court cases take up the rest of the seven chapters and conclude within this volume, so no cliff-hangers.

Volume 2 takes up where School Rules! Volume 1 leaves off, teaching social interpretation skills during unstructured times when social rules are most challenging. It's a great way to build social and organizational skills in children who run into difficulty dealing with lunch periods and hallway interactions between classes.
