The cheap labor outsourcing enabled by the new WTO drove wages down and destroyed one industry after the next in the industrial West after the 1990s. It was a necessary step on the path to what G.H.W. Bush in 1990 called the New World Order. The next step would be destruction of national sovereignty everywhere. Here the USA was the major obstacle.

Daisy's Destruction - Daisy Destruction is the name of one of the most horrifying snuff video series ever created. It's also used as an example for human experiment sites, and considering how it gained quite a bit of mainstream media attention, here I'm scribbling this piece on the same.

Daisy's Destruction - The Complete Truth, In Detail!

In an instant, half a dozen of the mages launched attacks at Snowcloud, the air suddenly thick with Essence as a torrent of destruction surged toward her. Yet although each of the attacks was far beyond anything Arran was capable of producing, they were all stopped with a single casual wave of Elder Naran's hand.
