Dance is a performing art form consisting of purposefully selected sequences of human movement. This movement has aesthetic and symbolic value, and is acknowledged as dance by performers and observers within a particular culture. Dance can be categorized and described by its choreography, by its repertoire of movements, or by its historical period or place of origin.

### **Dance - Wikipedia**

The field known as "dance studies" typically makes use of cultural studies and history but often also includes one or more of the perspectives above, including all forms of philosophy (particularly applied and phenomenology).

### **The Philosophy of Dance (Stanford Encyclopedia of Philosophy)**

Dance is a performance art form consisting of purposefully selected sequences of human movement. This movement has aesthetic and symbolic value, and is acknowledged as dance by performers and observers within a particular culture. [nb 1] Dance can be categorized and described by its choreography, by its repertoire of movements, or by its historical period or place of origin.

Dance is used as an act of worship in Scripture and can continue to be used in that way today. However, churches should take care to avoid dance that leads others to temptation or sin, and the focus must remain on worshiping God rather than drawing attention to self. When practiced in this way, dance is a beautiful art form that can communicate ...
