When Genius Failed The Rise

When Genius Failed tells the story of the rise and fall of LTCM, probably the best known Hedge Fund in the world. It is very well written and contains much information on how the fund was created, the ideas behind it, the managerial problems it encountered and the process of its fall. My impression is that this is the best book on the market on LTCM.

When Genius Failed: The Rise and Fall of Long-Term Capital Management is a book by Roger Lowenstein published by Random House on October 9, 2000. The book puts on an unauthorized account of the creation, early success, abrupt collapse, and rushed bailout of Long-Term Capital Management (LTCM). LTCM was a tightly-held American hedge fund founded in 1993 which commanded more than \$100 billion in assets at its height, then collapsed abruptly in August/September 1998.

When Genius Failed - Wikipedia

When it was founded in 1993, Long-Term was hailed as the most impressive hedge fund in history. But after four years in which the firm dazzled Wall Street as a \$100 billion moneymaking juggernaut, it suddenly suffered catastrophic losses that jeopardized not only the biggest banks on Wall Street but the stability of the financial system itself.
