Think: The 5 Money Secrets ...

Retiring early isn't something that everyone can do. Sometimes, though, people can retire early but don't realize they have that option! Don't let that be you. Let's calculate what you'll need for retirement, so then you can see how close you already are to your goal. From there you can see how long it will take you to

There is a dark side of early retirement I want to tell you about. I originally wrote this post in 2011 when I was strongly considering retiring early from banking after 12 years. I ultimately did retire a year later in 2012 and have been retired ever since. I've updated this post for 2020+ after having gained a lot
